LOOKING FOR DRINKS & TREATS?

Check out our main menu for these!

What is your best joke? The funnier the better!

Keeping it topical, our favourite one is this:

Why did the cookie go to the doctor? Because he felt crumbly!

Don't worry. We won't be giving up our day job any time soon ...

Always notify a staff member of any allergies or dietary requirements when ordering.

V Vegetarian option available V Vegan option available G Can be made without gluten

All of our bread based options are available with gluten free alternatives - Just ask!

Unfortunately, we cannot guarantee that any of our food is 100% allergen free. We cook up a storm, preparing all of our delicious food from fresh ingredients in the same kitchen; so there is a small risk of cross-contamination with allergens. Be sure to check in with a staff member if concerned.
